

KOIGROWER FL

Koigrower FL is an innovative complete feed without fish meal and oil, especially formulated for koi. The complete feed was developed following our "Fishless fish-feed" (FL) product line.

It contains all the necessary nutrients in a proper equilibrium to guarantee efficient growth. The formula contains a blend of vegetable, single cell and by-product-protein. The essential fatty acids are provided by algae and vegetable oil sources.

Benefits

- Feed without fishmeal and fish oil
- The most sustainable feed available in the Mediterranean area
- Enhanced disease resistance
- High energy
- Fast growth
- Low FCR

Instructions for use

The feed is ideal for fish weights indicated in the table. Feeding according to water temperature and fish appetite. Store cool and dry.

Packing

Feed is available in bags of 5 kg or 10 kg.

Shelf life

This product is manufactured 6 months before the expiry date.

KOIGROWER FL™

	3.0	4.0	6.0
Pellet size (mm)	3.0	4.0	6.0
Fish weight (gr)	50-200	200-500	>500
