

# MARINEGROWER FL

**Marinegrower FL** is an innovative complete feed without fish meal and oil, especially formulated for marine fish (*Sparus aurata* and *Dicentrarchus labrax*). The complete feed was developed following our “Fishless fish-feed” (FL) product line.

It contains all the necessary nutrients in a proper equilibrium to guarantee efficient growth. The formula contains a blend of vegetable, single cell and by-product-protein. The essential fatty acids are provided by algae and vegetable oil sources.

## Benefits

- Feed without fishmeal and fish oil
- The most sustainable feed available in the Mediterranean area
- Enhanced disease resistance
- High energy
- Fast growth
- Low FCR

## Instructions for use

The feed is ideal for fish weights indicated in the table. Feeding according to water temperature and fish appetite. Store cool and dry.

### Packing

Feed is available in bags of 25 kg or 1000 kg.

### Shelf life

This product is manufactured 6 months before the expiry date.
