

# MARINEGROWER SF

**Marinegrower SF** is an innovative complete feed, especially formulated for marine fish (*Sparus aurata* and *Dicentrarchus labrax*). The complete feed was developed following our "Sustainable -feed" (SF) product line.

It contains all the necessary nutrients in a proper equilibrium to guarantee efficient growth. The formula contains a blend of vegetable raw materials, by-product-proteins and sustainable fish meal and oils from fish-by-products.

## Benefits

- The most sustainable feed available in the Mediterranean area
- Enhanced disease resistance
- High energy
- Fast growth
- Low FCR

## Instructions for use

The feed is ideal for fish weights indicated in the table. Feeding according to water temperature and fish appetite. Store cool and dry.

## Packing

Feed is available in bags of 25 kg or 1000 kg.

## Shelf life

This product is manufactured 6 months before the expiry date.
